

SPLASH Back to Church Relaunch

Here is how we will create a safe environment with reasonable safety precautions for our SPLASH Zone Kids Ministry. We will still be maintaining a worship experience that is safe, secure, spacious, sanitized, and fun!

Check In:

- Parents, the first thing you will be asked to do before checking in is to read the Covid 19 screening questions (posted in the check-in area) and verify that neither your child(ren) nor self are experiencing any of the symptoms stated. If a person is experiencing any of these symptoms, they will not be allowed in, under any circumstances. This is for the protection of all of our precious children and team members.
- We will provide a contactless check-in. One team member will be stationed at check-in and they will be serving each family.
 - They will check temp of the children with a non-contact laser gun temp reader before checking them in.
 - They will check in children and print security badges.
- You will pull off your own stickers from the printer. One for you and one for your child. An extra sticker, with just your child's name, will be printed for the diaper bag.
- Please bring diaper bags with only items that are needed during the church service. Our nursery team will wear gloves to retrieve items that are needed for your child from the bag.
- Only one family member will be allowed to enter at a time to drop-off for each of our classrooms. Families will wait their turn at the wall next to the check-in area. Carpet dots will be placed on the floor to indicate where parents need to stand to wait their turn to check in.
- New families will be checked in on paper only. Parents will be given stickers to write their child's name on and any allergies or special instructions. A special pager number will be assigned to them for the day.
- All entry doors to classrooms will be propped open before and after service to avoid contact, except the Sea Shore Nursery room, which has a half door, and the Beach Buddies classroom, which has a security gate.

Check In

Check In

- Children will meet a team member at the door of their classroom and be directed to a play area or chair.
- For our Surf Shack class, the service will be designed so that children can stay in their own personal space. They will be expected to stay in their seats for games, worship, and all the interactive parts of the service.
- Parents will need to be aware that their child may be moved to a different classroom to be able to accommodate social distancing.
- Each classroom will have the capacities listed below. We will fill up the spots on a first come first serve basis. Once the capacity is filled, children will be asked to sit with their parents in the Sanctuary.
 - 5 in Sea Shore Nursery (0 - 23 months)
 - 8 in Beach Buddies (2 - 3 year olds)
 - 8 in Commotion Ocean (4 year olds - Kindergarten)
 - 12 in Surf Shack (1st - 5th grade)

Pick Up

Pick up:

- There will be a path indicated with dots on the ground to direct families in and out of the hallway.
- When picking up children, we ask that you do so quickly and not linger in the hallway.
- Only one family member will be allowed to enter the children's hallway at a time for pick up for each of our classrooms. Security badges will need to be presented to the classroom team member at the door who will then call out your child's name for picked up. If you have more than one child, you may keep your security badge to present to the other classroom team members.
- Team members will not be collecting the security badges. You may throw them away on your way out.
- Make sure to try to social distance the best you can when picking up children in the hallway.
- Families will wait their turn at the wall next to the check in area to pick up their kids. Carpet dots will be placed on the floor indicating where you are to wait.

Team Member

Team Member:

- At the beginning of the day, we will have our temp check and make sure to not come in to serve if we don't feel well.
- All of our teachers, helpers and check-in team members will be very vocal and showing passion so that all guests feel welcomed.

Team Member

- We will do our best to limit any touching or hugging between Team Members and guest. Parents, help us out by placing a green or red sticker on your child as this will let us know how comfortable you are with your child being close to people.
- We will help disinfect and sanitize our areas as specified on our work area cleaning chart. We will sanitize all surfaces, door handles, chairs, tables and toys between services.
- We will wash & sanitize our hands throughout the day.
- We will wear gloves when serving snacks.
- We will wear gloves when handling diaper bags and changing diapers.
- Disposable changing pads will be used at each diaper change.

Cleaning Procedures

Cleaning Procedures:

- A cleaning tote will be provided for each classroom, bathroom and check-in area.
 - The tote will have everything needed for the 3-step sanitation process:
 - Soapy water spray bottle
 - Rinse water spray bottle
 - Bleach water solution spray bottle
 - Paper towel roll
 - Bleach wipes when available
- Our Team Members will wipe down all chairs, tables, toys, countertops, door handles, bathrooms and all hard surfaces after every service and before check-in begins.

Extra Precautions

Extra Precautions:

- We will not be allowing children to get water at the drinking fountain. We will have small water bottles if they get thirsty.
- We will promote air hugs and air high fives.
- A team member will wipe down all hard surfaces after each bathroom use. Children will only use the small bathroom in our children's wing. We will tell all SPLASH Zone kids 1st - 5th that the bathrooms are for emergencies only.
