

Parent Newsletter

(April - June)

It has been a great start to 2024! Thank you so much for being a part of Splash Zone Kids Ministry. We have it on the calendar to have the new flooring in our kid's bathroom and nursery area by this summer. Plus, we hope to get started on renovations in our Kidz Zone Room. Please join us in prayer for the financial support and volunteers to make this a quick and successful process. We are so excited to freshen up the space where your kids play, make friends and learn about Jesus! Be looking also for the changes to our name to be completed by this summer. As we mentioned at our parent meeting a few months ago, we will be making a change to "Holland First Kids" (H1K), and will no longer be using "Splash Zone Kids". Our three main age groups will also begin to simply be called: Nursery (infant - 36 mo); Preschool (3yrs-5yrs); Elementary (K-5). Check out the back for all the great parent & family activities we have coming soon! Fun things like "Zoo Day", Family Fun Night, Mom & Dad groups, Parent Workshop and more! Blessings, *Pastors Jason & Jen*

GET INVOLVED

We have several ways for parents to get involved in the ministry to their children. Each position comes with training, guidelines, encouragement and material to make serving a breeze. All you need to do is some beforehand overview of your assignment and then come ready to have fun and love on kids! Volunteering is only 1x per month.

Currently, we have a great need to create another team for our Sunday elementary class (K-5th). If you enjoy at least one of the following options, then THIS IS FOR YOU: Playing games, acting, group discussions, having fun, loving kids! If interested in exploring this more, scan the QR code to fill out a quick form for us to contact you.
